

Children's Theater Policies

The Arts Council will select a producer, and a director for each production. They will also designate the show dates, and advertise the production.

The director will be responsible for casting, along with the audition panel, and directing the play.

The Producer will be responsible for working with the director in setting rehearsal times, setting up volunteer assignments, producing a play program, and making arrangements as needed for the play production. The Producer will coordinate with the Arts Council on the production budget, ticket sales, and the sale of refreshments.

Children ages 5 through 18 are welcome to participate in Children's theater.

Children may participate in productions only with parent approval signature on the audition form.

A participation fee of \$15.00* is required at the time of audition. The purpose of the participation fee is to pay for the cast photographs, and other production costs. For a family with more than 3 children participating, the participation fee will cap at \$45*.

Scholarships for the participation fee may be available upon request.

Auditions will be held on at least two different dates, and will be done in front of an audition panel.

The audition panel will have a minimum of three people, and must include, but is not limited to, the director, and an Arts Council board member. Audition panel members who have family members wishing to audition will be temporarily dismissed from the panel at the time of that family member's audition, and they will have no input as to her/his child's placement in the play.

Lead roles will be given to those who audition at the scheduled and announced auditions.

Call-back auditions may be scheduled as decided by the director and audition panel, and will be open only to those who attended the initial auditions. Call-back auditions will not be open; they will be by invitation only.

One parent or guardian is required to be at every rehearsal that involves her/his child.

Play ticket prices will be \$3.00* for ages 3 & up. (Age 2 and under are free.) Family passes are \$10.00 for a family of 4 to 5 people. Complimentary tickets may be earned by the cast members and their families through volunteer hours as determined by the producer, director, and Arts Council.

*All prices are subject to modification by the Arts Council.
