

Coaching Application

Farmington Leisure Services

Thank you very much for your interest in helping develop our youth. We desperately need coaches for many of our teams. Depending on the team, we need coaches of varying levels of experience from none to significant. The safety of our players is our top priority. In today's world, unfortunately, certain precautions are needed. The following information is required to perform a background check. All applicable blanks need to be filled in to help us make a reasonable decision.

By signing the form, I hereby agree to have the Farmington Leisure Services "FLS" and or its agents perform a background check. By signing this form, I am applying to be a coach, but will not be assigned a role, if any, until the check has been completed. Failure to complete the form or falsifying the form is grounds for rejection.

None of the information of the background check is made public to FLS staff. Our law enforcement, knowing the criteria established, make the decision for us. None of the results will be shared with others.
