RESOLUTION 2000-02

A RESOLUTION ADOPTING AND DESIGNATING SHADE TREE DISTRICTS WITHIN THE CITY TO BE ADOPTED AS EXHIBIT "A" TO RESOLUTION NO. 92-21.

WHEREAS, the City Council has previously adopted Resolution 92-21 regarding the placement and maintenance of public sidewalks damaged by City trees located within certain public rights of way located within designated Shade Tree Districts within the City; and

WHEREAS, the City Council desires to adopt the attached Shade Tree Districts as Exhibit "A" to Resolution 92-21; and

WHEREAS, the City Council desires to enact a policy related to tree pruning and leaf pickup in addition to sidewalk repair as included in Resolution 92-21.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF FARMINGTON CITY, STATE OF UTAH, AS FOLLOWS:

Section 1. Adoption. The Shade tree Districts within the City are hereby designated as set forth in Exhibit "A" attached hereto and incorporated herein by this reference. Exhibit "A" is intended to be included as Exhibit "A" to Resolution 92-21.

Section 2. Tree Pruning/Leaf Pick up Policy. It is the City's policy and intent to provide some maintenance service including pruning of trees and leaf pick up when deemed appropriate and when budgetary considerations permit in parts of the Shade Tree Districts designated on Exhibit "A". These services are being provided to abutting property owners because the designated Shade Tree Districts provide an accrued aesthetic benefit to the entire City or falls within the historical older part of the City where large street trees have been planted to create a certain ambiance beneficial to the entire neighborhood. In addition, these services are intended to protect public health and safety for use of rights of way and public storm sewer maintenance. The City reserves the right to add to or delete from this list at its sole discretion. When practical, advanced notice of the City's pruning schedule may be given to each household advising the abutting property owners or occupants. Nothing in this policy shall prohibit the City, at its sole discretion from pruning or removing any tree planted in the public right of way.

Section 3. Severability Clause. If any section, part or provision of this Resolution is held invalid or unenforceable, such invalidity or unenforceability shall not

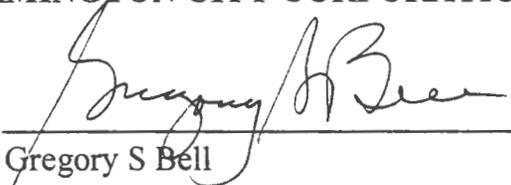

affect any other portion of this Resolution, and all sections, parts, and provisions of this Resolution shall be severable.

Section 4. Effective Date. This Resolution shall become effective immediately upon its passage.

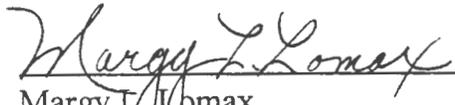

PASSED AND ADOPTED BY THE CITY COUNCIL OF FARMINGTON CITY, STATE OF UTAH, ON THIS 5th DAY OF JANUARY, 2000.
