Trails

15 mile trail award for the Quail family

The Quail family all received the 15 mile award. The family members include Cameron and Mandy Quail and children Kate, Charlie, Cannon, and Jack. Amy asked each family member their favorite trail and presented them with awards followed by a group picture.

Installed new flag at Flag Rock with new system

A new flag was installed at flag rock using a new system. The flag pole has a hoist and a chain. Travis and Ron installed the flag.

South side of Flag Rock trail

Ron went on to talk about short cuts causing erosion along the trail. The sludge hammer was lost on this trail activity. A lot of work is necessary to improve the Flag Rock South side trail. When people take short cuts, they cause erosion problems. Ron stated that improvement on this section of trail will be our number one priority this spring.

Public Relations

City trail way finder signs update

Amy spread out the map on the table. We looked over her recommendations and added a few additional suggestions for where to locate signs.

Mountain trail way finder signs

The committee decided that way finder signs are needed for the following trails: Farmington Creek, Steed Creek, Davis Creek, and Flag Rock.

New kiosk at park Tabled for now

Farmington Bike Park Tabled for now

Vista Outdoor Adopt a Trail program

Vista Outdoors reached out to Ron yesterday. Peter Klein is in charge of the active fun committee. They want to adopt a trail. They want the Flag Rock Trail. They are willing to send their employees in April and September. Ron is going to set up a meeting next week with Peter Klein and some of the committee members to discuss more of the details of how this arrangement might work.

Finances

Maps/approved

Sledge Hammer Replacing the lost/stolen sledge hammer is estimated to cost \$20.00. We will add an additional sledge hammer to our tool inventory hence we will allocate \$40.00 to purchase two sledge hammers.

Chainsaw Farmington City gets points for keeping the fire break road clear of tree limbs. Guido Smith has five chainsaws that he will loan the Trails Committee at any time. Ron purchased a chainsaw that he is donating to the trails committee. It is a Husqvarna 16 inch. He paid \$150 for it. He couldn't get it running. He figured that the problem was with the carburetor. He took it to Croft to have them rebuild it. It cost \$180. Ron would like approval to pay for the repair.

New FTC Logo Amy suggested that the FTC come up with a new FTC logo. This logo could go on the new FTC trailer. The trailer can be pulled in the Farmington Days Parade. The suggested motto is "Improving the quality of trails and life". With more brainstorming, we should be able to come up with good ideas by the next meeting.
